

Supervisors should ask the following questions to all employees prior to entering the jobsite. If they answer “yes” to any, they should be asked to leave the jobsite immediately. Anyone asked to leave should not return to work until 24-hours after they are free from a fever or signs of a fever without the use of fever-reducing medication.

Crew Member #1

-Have you or anyone in your family, been in contact with a person that has tested positive for COVID 19?

-Have you or anyone in your family ,been in contact with a person that is in the process of being tested for COVID-19?

-Have you or anyone in your family traveled outside of the U.S. within the last two weeks?

-Have you been medically directed to self-quarantine due to possible exposure to COVID-19?
